

## Enabling Secure Technology Use in Research at Northwestern

A **NURAP AT NOON** EVENT

### **Carl Cammarata**

Senior Director, Information Security CISO  
Administrative Operations, FSM

### **David Kovarik**

Director Information & System Security  
IT Info & System Security/Compliance

Join us to learn about Northwestern's information security program and the new data security policies; especially in relation to research. During this meeting we will discuss about new technology, including cloud storage, and how it can be used in the research setting.

### **Chicago**

Friday, October 23, 2015  
Baldwin Auditorium  
Lurie—303 E. Chicago
